

The 25th Annual Lincoln City Summer Kite Festival is quickly approaching (held June 27 & 28, 2009). We have started the festivities with a Photo Contest where people from near and far entered photos that were taken in Lincoln City and matched our theme “Pacific Wonderland”.

We received MANY fabulous photos and are sorry that we had to narrow it down to only 3 winners. We would like to thank all the contestants. The job of judging was not an easy job. We narrowed it down to 21 “judges favorites” and used a point system to come up with the winning photos.
